

Melandrew Daycare Smoking policy

Statement:

It is my policy to ensure that children are in a smoke-free environment whilst in my care.

In order to do this I will ensure that:

- My home is a non smoking building, and no members of my family or friends smoke.
- If we are out somewhere, no-one smokes in a room when the children in my care are present or about to be present
- No-one smokes in an outside play area when the children in my care are present or about to be present
- If, in exceptional circumstances, the children in my care are expected to use any space that has been used for smoking then I will ensure that there is adequate ventilation to clear the atmosphere.
